Day For Life. The Church teaches that life is to be nurtured from conception to natural death. In England and Wales, Day for Life is celebrated on the third Sunday of June each year. This year it falls on Sunday, 21 June. This year's theme is The Wonder of the Child in the Womb. Parenthood is a vocation of joys and hopes, of grief and anxieties. On this year's Day for Life, we acknowledge the particular grief of mothers and fathers who have lost a child before birth or in infancy. Many parents find consolation in their faith and its assurance that every child, including those who lose their life before they are born or soon after, is created, willed and deeply loved by God from all eternity. There will be a second collection for Day For Life next weekend. For more info. go to <https://cbcew.org.uk/day-for-life>.
