Christmas Fayre Helpers - Thank you for signing up to help; there will be a short briefing session next Sunday, 15th November following 9am Mass in the meeting room to share plans for the day. Please let Maria or Jo know if you are unable to attend so that they can forward the information to you.

***The Giving Tree:* It's time for the Giving tree again! As in previous years, we are appealing to your enthusiastic and generous Christmas spirit as we set up a Giving Tree so that disadvantaged children will receive at least one present at Christmas. Our charity is Bundles which provides children with new toys for Christmas. If you want to take part, please pick a label from the tree, buy the gift, wrap it and attach the label. Then bring the gift to church and place it at the bottom of the tree, as soon as possible please as they have to be distributed before Christmas. Thank you.**

***Tea and coffee after Sunday Mass*: we are looking to recruit more people to join the team providing tea and coffee after Mass. It's on a rota basis, about once a month. It's friendly and relaxed and the customers are very appreciative! If you are interested or want more details, contact Elizabeth on 07930 874177 or ask at the kitchen hatch.**

Patrick's Christmas Fayre, on Saturday 21st November 12-3pm. Please leave donations of bottles for our tombola and food items for our Christmas Hamper in the box in the corridor. We are also still in need of good quality or new toys for our children's tombola. Please now plan your bakes for our cake stall- these can be brought to the hall on the Thursday or Friday evening before the fayre between 7 and 8.00pm or on the morning of the fayre. Finally- please bring all sold and unsold raffle tickets back to church by next Sunday. Thank you for helping us!
